## A S S I G N M E N T

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, Colin David RICKSON of The Dene, Aspley Hill, Woburn Sands, Milton Keynes MK17 8NN, UNITED KINGDOM, hereby sell, assign and transfer to Marchwood Limited of Unit 3, The Dene, Aspley Hill, Woburn Sands, Milton Keynes MK17 8NN, UNITED KINGDOM, as Assignee, and its successors, assigns and legal representatives, the entire right, title and interest in and to certain inventions relating to CONTAINER, set forth in an Application for Letters Patent, Serial No. 10/713,630, filed on November 15, 2003 in the United States of America and in any and all foreign countries, and all of the rights and privileges under any and all Letters Patent that may be granted therefor.

I request that any and all Letters Patent for said inventions be issued to said Assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

I agree that, when requested, I will, without charge to said Assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining any and all Letters Patent for said inventions in any and all countries and for vesting title thereto in said Assignee, its successors, assigns, legal representatives or nominees.

I authorize and empower said Assignee, its successors, assigns, legal representatives or nominees, to invoke and claim for any Application for Letters Patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by the patent laws of the United States of America and those of any and all foreign countries, pursuant to international treaty, and to invoke and claim such right of priority without further authorization from me.

I hereby consent that a copy of this Assignment shall be deemed a full legal and formal equivalent of any Assignment, consent to file or like document which may be required in any country for any purpose and, more particularly, as proof of the right of said Assignee or nominee to claim the benefit of the right of priority provided by the patent laws of the United States of America and those of any and all foreign countries, pursuant to international treaty.

I covenant with said Assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance including, but not limited to, any assignment, grant, mortgage, license or other agreement affecting the rights, title and interest herein, and that I have full right to convey the same as herein expressed.
